## Customer Reviews

Frankie, Luke and the team at AVS Decorators have done an exceptional job redecorating our showrooms in Long Eaton ahead of our recent Furniture exhibition. Friendly, hard working, worked with us to keep disruption to a minimum and were always on hand to do extra bits as and when other trades finished their work. I cannot recommend them highly enough. Thanks from all the team at Siren Furniture.

The house I recently purchased needed holes in walls repairing and required decorating throughout and the guys at AVS did not fail to deliver. The workmanship, professionalism, and dedication these guys show to delivering perfection is the best I've ever experienced and I would highly recommend using them for all your painting and decorating requirements.

Richard Jeffrey

AVS Decorators did a great job in our Commercial premises at very short notice. They were professional and easy to work with fitting around the other trades we had on site. They were very reasonably priced and were a pleasure to work with. I would recommend them.

AVS Decorators have just finished revamping our house. Luke & Frankie did an amazing job! Our 20 year old house now looks like a new build thanks to their superb painting and decorating skills & excellent attention to detail. We changed a lot of our original spec and nothing was too much trouble which we really appreciated. Also really good communication and punctuality and nice tradesmen to get along with. Would definitely recommend them to friends and family.
